Annual General Meeting 2014

May 29th marked the 52nd Annual General Meeting for the KDCC. It was a wonderful evening with live entertainment, sit down meal, guest speakers, silent auction and a comedy act from Canada's very own, Steve Patterson. Steve was an absolute gem and gave a very laugh worthy performance!

A special thank you to our event sponsors. Events like these would not be possible without their support.

We would also like to thank the merchants who donated to our silent auction. We had 5 tables full of items to bid on. The generosity was overwhelming.

Also, thank you to our volunteers that gave their time and efforts in making our evening such a grand one. Thank you to Carole and Tim Davitsky, Claudette Brassard, Louise Thomson and Kelly Kraby.

We received such positive responses/feedback from our evening that we are excited for 2015 to bring you and even better event!
